Through this letter I will give my testimony about Christian Rea. I have known Christian's parents since he was born. They are honest, hard-working, and very good honest people. We are neighbors and we have always gotten along well. When Christian was born at about 3 or 4 months one of my children was born, that is, they are the same age to enter preschool from year to date they are very good friends, because he and his brother came a lot to my house to play with my children and my children also went a lot to Christian's house. Well, for me, he is a very good person, very kind, respectful of people. I have not realized that he got into trouble before, I know him well and I know he is well behaved, until now he has gotten into this problem, and I hope to God it will be resolved soon in a favorable way for all. I don't know what he was thinking when I opened the firework but I'm sure that if he had known the consequences that this, which for him was a joke, would leave him with so many problems. Well, I hope and my testimony will be of some use to Christian.

To Whom it may concern,

Rosalinda and Luis Gutierrez, husband and wife, are writing this letter in regards Christian Rea. We've known him for over 20 years, we've seen him grow up to become a respectful, caring young adult. Although, sometimes we may choose the wrong decisions and some being influenced by others, we've learn from our mistakes and became a better person.

If any questions or concerns, please feel free to reach out to us.

thank you,

Luis E. Gutierrez
